### *Extra Special Card Making - Last Chance*

Some places are available for these special classes with Toni from Kalsbeek Creative Crafts. You will have seen Toni at Dunkleys Craft Show, and now you can see her here in store. If you can't make the class come and meet Toni anyway and have a look at all the exciting things she will have with her.

NOTE - the Venetian Mask class will be replaced with the Easel Card using Hobby Dots – a brand new technique with patterns and stickers. See the class schedule and BOOK NOW.

PAYMENT IS DUE NOW and will confirm your place in class.

### *GST Price Rise*

ONLY SOME of our prices will increase from 1 October to allow for the new GST rate. If you want great prices plus a memorable shopping experience bring your friends and come and have a look. Premier and super customers still get great savings.

### *The Best Prices*

- 🌸 \$1.00 bin – check out the punches and stickers
- 🌸 Cuttlebug alphabet die Hippie Chick - \$20.50

### *Hints and Tips*

- 🌸 Take super care of your rust free pin from the extra fine glue bottle applicator. When removing or inserting the pin use a twisting from side to side motion while gently pulling up or down. This loosens the glue within the nozzle and the pin will move easily. NEVER use force; it will only bend the pin.
- 🌸 If your diecutting machine feels tight when you are using it – STOP AND CHECK, you may need to adjust your plates. NEVER use force; you could break your machine.

### *Diecutting Is Exciting*

Next session we will be looking at precise placement of cut outs i.e. alphabets or shapes, followed by how to use the stamp set (that comes with the Cuttlebug) and make the numbers disappear, a swing card, and cutting on only half the card.

Bring all your questions, challenges, ideas and of course your “show and tell”. Come along and have a play and see how much fun you can have. Book your place by calling 769 9172 or email [Craftability@xtra.co.nz](mailto:Craftability@xtra.co.nz).

### *Janome News*

#### *New, New, New Horizon*

Here is the new Horizon quilting machine with the wonderful long 11” free arm. It has a super easy jog dial for fast and efficient stitch selection plus the programmable thread cutter which makes it a quilters dream. Expect to see this new model in store from mid October. It's sew easy with Janome

#### *We will be Closed ...*
